Travelling to Clifton Campus

How to get here

By car

Nottingham is at the heart of the country and is well served by the motorway network. The M1 passes close to the west of the city, the A42 / M42 link to the south-west of the city and the A1(M) to the east of the city.

The Clifton Campus is located on the A453 Clifton Lane. When using the M1 for Clifton Campus, exit at Junction 24 and follow the A453 for approximately five miles. From the city centre, follow signs out to the A453 (signposted to Birmingham).

Car parking

At the Clifton Campus, limited parking is available on site. Enter the campus through the Main Gate. Contact security at the car park barrier using the intercom and you will be directed to the student car park.

By bus

During term-time, the Go2 Uni 4 runs between the City Campus and Clifton Campus. The service leaves Burton Street (adjacent to The Cornerhouse) up to every seven minutes for the Clifton Campus, via the city centre and the railway station.

Out of term-time, use the Nottingham City Transport (NCT) service number 1, which picks up at the Broadmarsh Bus Station and railway station and drops off at the gates of Clifton Campus.
