

# Your library

eBooks: a guide to NTU's eBook packages

## NTU's eBooks

Your library provides access to a huge number of eBooks, from a variety of different eBook suppliers. To find relevant eBooks, search in the Books and Audio-Visual tab within **Library OneSearch** and then select the Full Text Online filtering option on the left hand side of the screen. Click on the View online link to access the content – note that you may be required to log in using your NTU username and password. Each eBook supplier's web interface will look and operate differently so use this guide to understand the key features of our different suppliers:

### System requirements

Should work in all browsers.  
Latest version of the browser required.  
Latest version of Adobe Reader required.

### iPad/iPhone/Android

Latest version of Adobe Reader required.

### Printing

Printing is permitted, within the limits allowed by copyright. To print, navigate to the specific page that you want to print and then click on the Print icon:

A message will appear telling you that you can now print from that page. Click OK to bring up the Print box, and print as normal.

The Green bar next to the Print button indicates the maximum number of pages you are permitted to print from this book. This is calculated as a percentage of the total number of pages within the book, so will vary from title to title.

162 print pages remaining

## Printing

Printing is permitted, within the limits allowed by copyright. To print, navigate to the specific page that you want to print and then click on the Print icon:

A message will appear telling you that you can now print from that page. Click OK to bring up the Print box, and print as normal.

The Green bar next to the Print button indicates the maximum number of pages you are permitted to print from this book. This is calculated as a percentage of the total number of pages within the book, so will vary from title to title.

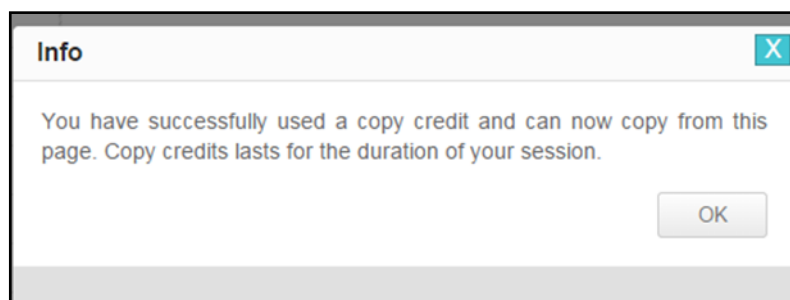

## Copying

Copying is permitted, within the limits allowed by copyright. To copy, navigate to the specific page that you want to copy and then click on the Copy icon:

A pop-up box will appear:

You can then copy and paste text from the selected page.

## Copying

The Green bar next to the Copy button indicates the maximum number of copy credits available per book. This is calculated as a percentage of the total number of pages within the book, so will vary from title to title.

## Downloading

Downloading from Dawsonera eBooks is permitted for a one day period. To download, click on the Download button, either from the front page:

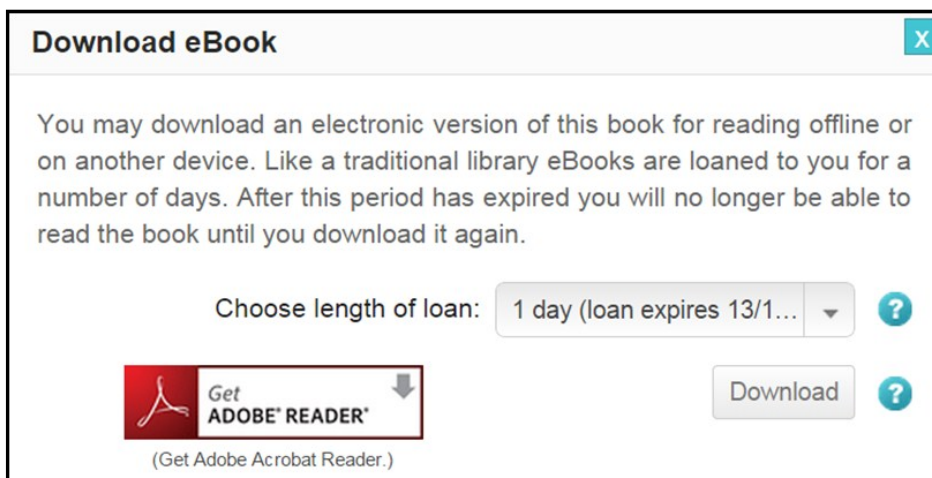

Or from within the content:

## Downloading

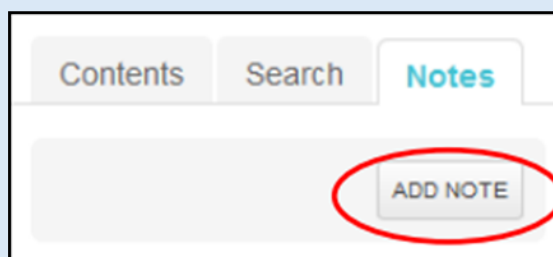

Click the Download button to get access to the eBook for a one day period. Note that after this period has expired you will no longer be able to read the book until you download it again.

*Please note: if using the inbuilt Google Chrome PDF Viewer, you may be unable to Download the content. Either install and use the latest version of Adobe Acrobat Reader or use another browser.*

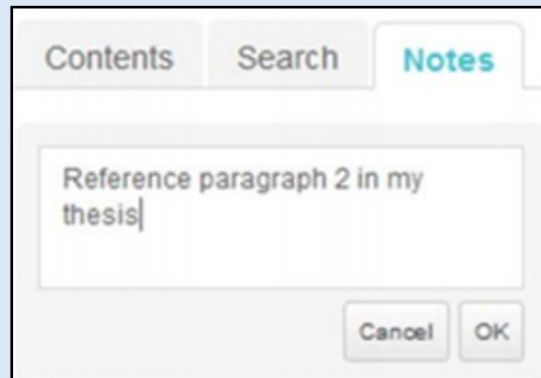

## Adding notes

To add notes to a book, navigate to the appropriate page and then click Notes ➡ Add Note:

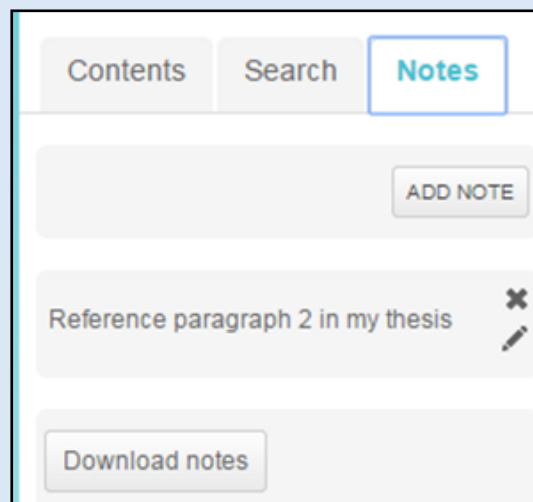

Type in your note and then click OK to save it:

## Adding notes

A screenshot of a web application interface showing a modal dialog box titled "Notes". The dialog has three tabs at the top: "Contents", "Search", and "Notes", with "Notes" being the active tab. Inside the dialog, there is a text input field containing the text "Reference paragraph 2 in my thesis". At the bottom right of the dialog, there are two buttons: "Cancel" and "OK".

The note will remain visible to you every time you access the book. To view your notes, open the content of the book and click on Notes:

A screenshot of the "Notes" section of the application. At the top, there are three tabs: "Contents", "Search", and "Notes", with "Notes" being the active tab. Below the tabs, there is a text input field with a placeholder "ADD NOTE" button to its right. Below this, there is a list of notes. The first note is "Reference paragraph 2 in my thesis", which has a delete icon (an 'x') and an edit icon (a pencil) to its right. At the bottom of the section, there is a button labeled "Download notes".

**Support** <https://www.dawsonera.com/helpPage>

## System requirements

Should work in all browsers.

Ensure that:

- JavaScript is enabled
- Pop-ups are allowed from ebrary.com

Firewall or anti-virus software may affect access, so you may need to modify these settings to access ebrary.com.

Adobe Digital Editions required to download eBooks.

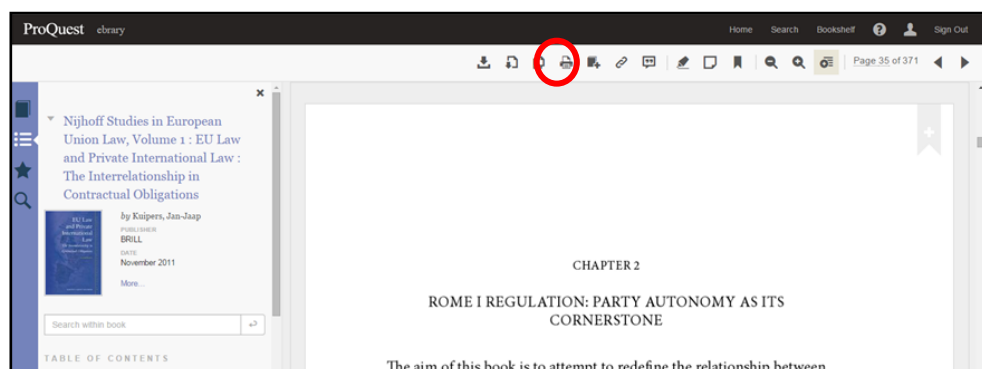

## iPad/iPhone/Android

iOS and Android are supported.

Downloading for offline reading is possible using the Bluefire Reader App for mobile devices (available in the App Store and Google Play Store).

## Printing

Printing is permitted within limits set by the publisher. To print, ensure that you are within the text of the book (rather than the book's home page) and then click the Print icon:

Enter the details of the pages you wish to print.

## Printing

## Copying

Copying is permitted within limits set by the publisher. To copy, ensure that you are within the text of the book (rather than the book's home page) and then click the Copy icon. Please note: The InfoTools "Copy" tool only allows you to copy text, not images.

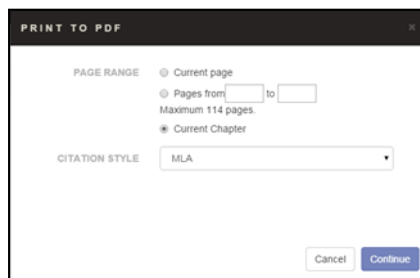

## Downloading

Downloading a single chapter:  
Click the Download Chapter icon:

Select Current Chapter option

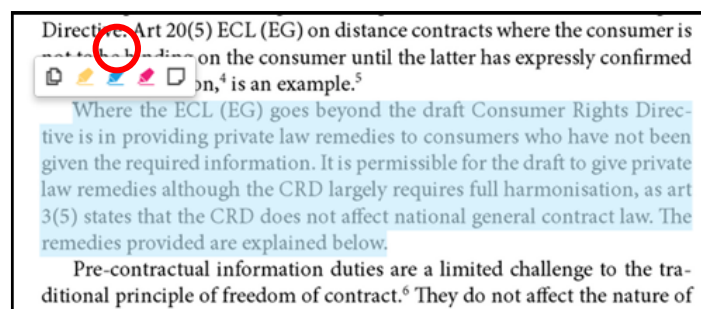

Downloading the whole book for 14 days:  
Click the Download Book icon:

You will then be taken through a Wizard, in order to be able to download the whole book for a 14 day period.

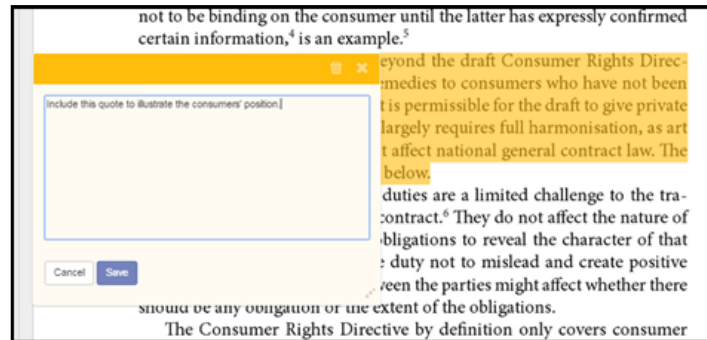

## Adding notes

To add notes to a book, navigate to the page you wish to annotate and select the relevant text using the mouse. Select the Add Note icon from the pop-up box:

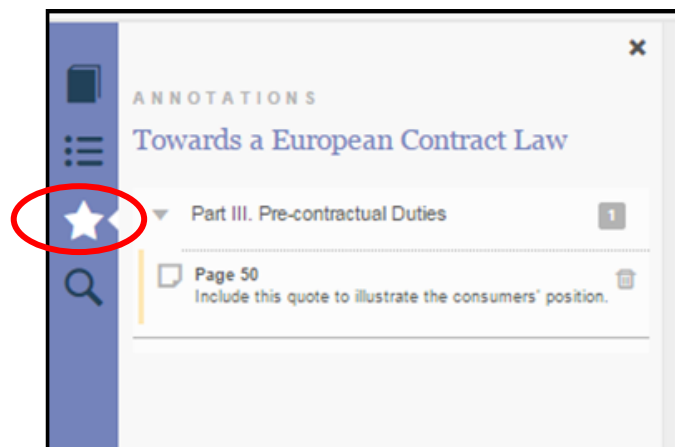

Type in your notes and then click Save.

## Adding notes

Your notes will remain visible to you every time you access the book. You can view your notes by clicking on the Annotations icon from within the content area, and then expanding the relevant note:

**Support** <http://proquest.libguides.com/ebrary>

**System requirements**

Should work in all browsers  
– latest browser version recommended.

Adobe Digital Editions recommended.

Some of the books in the MyiLibrary collection have a 3 user licence limit, meaning that only 3 people can view these titles at any given time. If you are having difficulties accessing a MyiLibrary eBook this may be to do with the 3 user licence limit, so please try accessing again later.

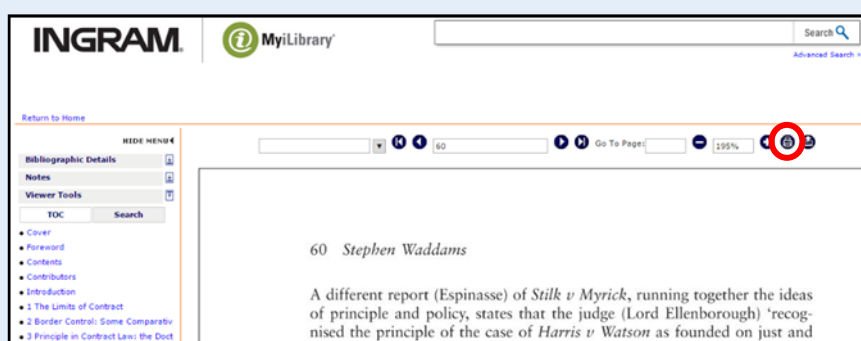

**iPad/iPhone/Android**

iOS and Android are supported.

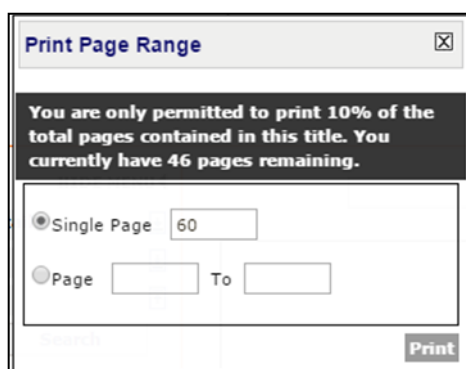

Downloading for offline reading is possible using the Bluefire Reader App for mobile devices (available in the App Store and Google Play Store).

**Printing**

Printing is permitted, to a maximum of 10% of the total number of pages in the book. To print, navigate to the page/s you wish to print and then click on the Print icon:

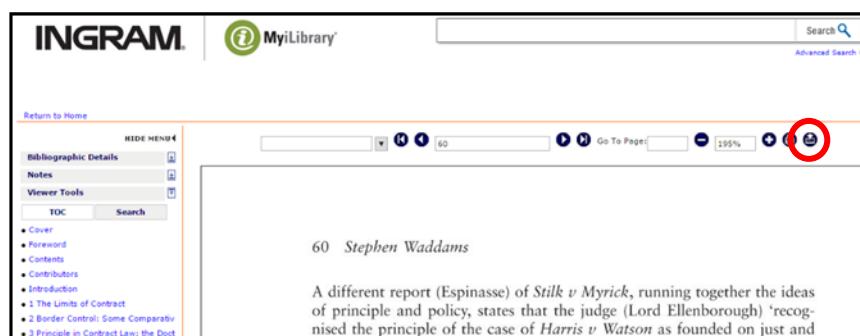

**Printing** The following Print Page Range pop-up box will appear telling you the total number of pages you can print. Select to either print a single page or a range of pages:

The image shows a 'Print Page Range' dialog box. At the top, it states: 'You are only permitted to print 10% of the total pages contained in this title. You currently have 46 pages remaining.' Below this, there are two radio button options: 'Single Page' (selected) and 'Page'. The 'Single Page' option has a text input field containing '60'. The 'Page' option has two text input fields labeled 'Page' and 'To'. At the bottom right, there is a 'Print' button.

**Copying** Copying up to 10% of the book is permitted, using the normal Copy and Paste function keys (Ctrl + C; Ctrl + V).

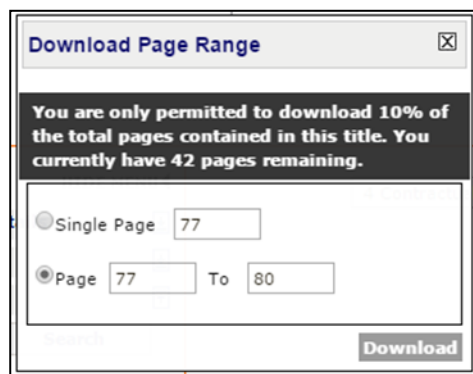

**Downloading** Downloading is permitted, up to a maximum of 10% of the book. To download, navigate to the page/s you wish to download and then click on the Download icon:

## Downloading

The following Download Page Range pop-up box will appear telling you the total number of pages you can print. Select to either download a single page or a range of pages:

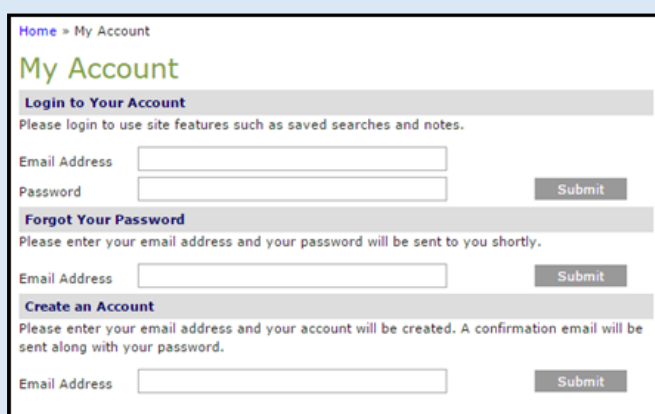

Click on the Download button, and the document will be downloaded as a PDF file.

## Adding notes

To store notes you will need to create a MyiLibrary Account. Click on the My Account link at the top of the screen, then on Login to set up an account:

Click on Create Account and follow the on-screen instructions:

**Adding notes** To add a note, navigate to the appropriate page and then click on Notes ➡ Add/View a Note. Type in your note and click Save:

The screenshot shows the MyiLibrary interface. On the left, the 'Notes' link in the sidebar is circled in red. A 'Notes' modal is open, showing a form to add a new note. The 'Subject' is 'Contract coursework' and the 'Page' is '115'. The 'Note' field contains the text 'Use the quote from paragraph 2 on this page.' The 'Save New Note' button is circled in red. Below the modal, a table titled 'Notes' displays a list of notes with columns for 'Item', 'Page', and 'Note'.

Item	Page	Note
Exploring Contract Law	143	Take quote from paragraph 2.
Sports Law	70	Use this for the influence of the EU
Sports Law	174	Discipline issues on the field

At the bottom of the table, there are buttons for 'Delete Selected', 'Print Selected', and 'Email Selected'.

Your eBook download link is being generated. You can download your ebook using the link provided or use 'Account' at the top of the screen.

Transnational commercial law: international instruments and commentary  
[Click here to download](#)

To read eBooks on your PC, Mac, or mobile device you must have already loaded suitable reader software and registered with Adobe. You can download an eBook to multiple devices, but each device must have suitable software and the same Adobe registered id. Setup is simple and free. Detailed instructions can be found by clicking the following links:  
[PC or Mac](#) [Android devices](#) [Apple iOS](#)

A list of supported mobile devices can be found at:  
<http://blogs.adobe.com/digitalpublishing/supported-devices>

## Adding notes

Notes can be added, shared and exported. To add a note, navigate to the appropriate page and click on Add Notes at the bottom of the screen:

(II) Principles of European Contract Law, 1999 and 2002	186	Add notes	<p><b>Characteristics of electronic signatures and their legal effect</b></p> <p>The Directive makes a distinction between an 'electronic signature'<sup>80</sup> and an 'advanced electronic signature'.<sup>81</sup> The latter, based upon a 'qualifying certificate',<sup>82</sup> and created by a 'secure-signature-creation device', is given higher legal recognition than the former.<sup>83</sup> Member States must ensure that advanced electronic signatures (a) satisfy legal requirements</p>
3. Electronic Commerce	242		
A. Introductory Text	242		

To view notes, click on Notes on the left hand side of the screen:

Transnational commercial law -

**VLeBOOKS**

Contents Search **Notes**

Relates to the Glass Bottles case. (x) 737

Use this quote. (x) 739

To import, export or share notes, click on Notes on the right hand side of the screen:

+ Share Notes Citation

Export

Share

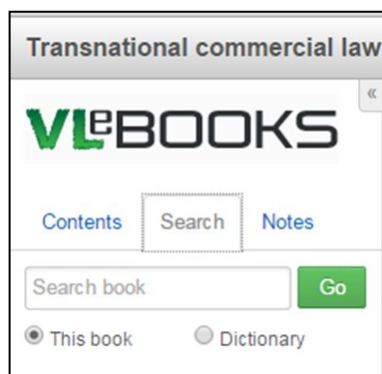

Import

Clear

**Extra  
features**

Lecturers' notes can be shared with students via a "token" which students can import into their Notes area.

You can search within the content of the book for specific words, or you can search the dictionary feature for definitions of words. Click on Search on the left hand side of the screen:

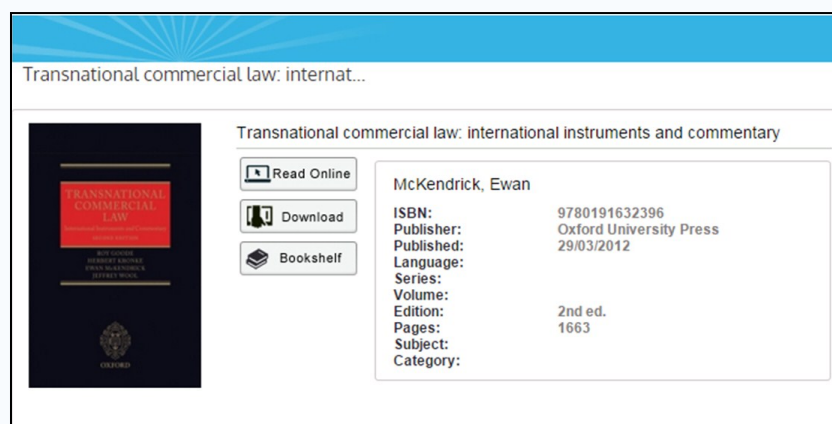

The screenshot shows a web interface for 'Transnational commercial law'. At the top is the VL<sup>e</sup>BOOKS logo. Below it are three tabs: 'Contents', 'Search' (which is highlighted with a dashed border), and 'Notes'. Under the 'Search' tab, there is a search bar with the placeholder text 'Search book' and a green 'Go' button to its right. At the bottom, there are two radio buttons: 'This book' (which is selected) and 'Dictionary'.

You can increase the size of the font and you can change the background colour, using the plus and minus arrows and the colour wheel in the top right hand corner of the screen:

You can store titles on your VLEBookShelf. Select Bookshelf from the front screen:

and then create a bookshelf to add it to:

You can view items in your Bookshelf at any time by clicking on the Bookshelf link on the front screen.

## System requirements

Should work in all browsers.  
Latest version of the browser required.  
Adobe Digital Editions required to download.

## iPad/ iPhone/ Android

iOS and Android are supported – you will need to download the BlueFire Reader app for mobile devices (available in the App Store and Google Play Store).

Kindle Fire is supported – you will need to download an additional eBook reader app, such as BlueFire or Aldiko (available in the App Store and Google Play Store), and have Adobe ID authorization and activation.

## Printing

Printing is permitted within limits set by the publisher. Select the Read Online option from the front page and then click on the Print icon at the top of the screen. In order to print, you must create a loan for the book by following the on-screen instructions:

**Print Pages**

Select the pages you wish to print using one of the three methods below.

[Back to Reader](#)
