- Sarah Lawther: Tel. 0115-848-8210

CPLD Centre for Academic Learning and Development

[CPLD](#) Courses, Resources, Events

The Centre for Professional Learning and Development (CPLD) was established in 2008. Its role is to provide a responsive staff development service to the University. This includes:

- supporting colleagues in identifying learning and development needs and considering effective means of meeting these
- formulating and delivering staff development events
- creating strategy and policy in support of learning and development at NTU
