What type of visa or leave to remain do you have?
- Tier 4 (General) leave to remain

Students who do not have a current Tier 4 student visa should seek advice from the International Student Support Service before submitting their application.

Course details

Was your most recent leave as a Tier 4 student, as a Student or as a Postgraduate Doctor or Dentist?
- Yes
- No

Q: Was your most recent leave as a Tier 4 student, as a Student or as a Postgraduate Doctor or Dentist? Answer “Yes” to this question if you have a Tier 4 visa. If you do not have a Tier 4 visa, please seek advice from the International Student Support Service before proceeding with your application.

a. What is the start date of your current visa or leave to remain?
You will find the start and end date of your current visa either on your BRP (ID card) or on your visa vignette (sticker in your passport).

b. Has your visa or leave to remain ever been revoked, cancelled or curtailed?
If your visa has been cancelled, please contact the International Student Support Service for further advice.
Police registration

a. During your current or last grant of leave in the UK, were you required to register with the police? (only nationals of certain countries will be asked this question).

Nationals of certain countries who are in the UK for six months or more are required to register with the police. Further information is available on our website: www.ntu.ac.uk/student_services/international_students/other_immigration_matters/police_registration/index.html

If you do not have a National Insurance number, tick the box “I do not have a National Insurance number, or I have a temporary one”.

Study as a Tier 4 (Child) student

Have you studied in the UK as a Tier 4 (Child) student?

Tier 4 (child) student visas are generally issued to students aged under 18. Only answer yes to this question if one of your previous UK visas was a Tier 4 (Child) visa.

English language Assessment

If you are studying at a higher education institution, have they assessed that you meet the English language requirement, or that you are a ‘gifted student’?

Check the “documents used to obtain offer” section of your CAS statement. Choose “yes” if it indicates that your English language ability has been assessed. (This should be the case for most students).
Problems with immigration to the UK

Have you ever been: refused a visa for the UK? Deported from the UK? Removed from the UK? Required to leave the UK? Refused entry at the UK border?
If you have ever found yourself in any of these situations in the past, you will need to answer Yes to this and provide further details of the immigration problem you experienced. If this is the case, please contact the International Student Support Service for further advice. **N.B. It is important that you declare any of these problems on your application even if they happened a long time ago and you have been issued with a UK visa since.**

Problems with immigration to countries other than the UK

**As above, it is important that you declare any of these problems on your application even if they happened a long time ago and you have been issued with a visa for those countries since.**

Public Funds

Have you ever received public funds?
Public funds are certain welfare benefits, e.g. child benefit and access to social housing. International students with Tier 4 student visas are prohibited from accessing these funds. If you claim 'public funds' when you should not, the UK immigration authorities can refuse your immigration application or remove you from the UK. You might be barred from returning to the UK for a certain period. If this applies to you and you are unsure as to how to proceed with your visa application, contact the International Student Support Service for advice.

Criminal convictions and other penalties

You must give details of all criminal convictions. This includes road traffic offences and drink driving offences, as well as police cautions. If you have never received any criminal convictions or penalties, please select the option, **“No I have never had any of these”**.

A civil court judgement is where a court has ordered you to pay money to another person or party usually because of damages or monetary loss incurred by that person or party (this could affect students who are evicted from their property as a result of not paying their rent).

A civil penalty issued under UK immigration law includes fines issued to people who miss the deadline to apply for a BRP replacement.

War Crimes

Read through these sections carefully and if there is anything you are unsure of, take advice from the International Student Support Service.

Terrorist Activities and Terrorist views

You must declare whether you have been involved in terrorist activities; been a member of or supported a terrorist organisation; or expressed terrorist views

Students studying certain postgraduate research courses may be required to apply for ATAS clearance before they make their visa application in the UK. Save and continue  
Cancel

For the purposes of Tier 4 student visas, an official financial sponsor may only be one of the following: the UK Government, your home government, the British Council, any international organisation, international company, university or UK independent school. Sponsored students are required to provide an official sponsorship letter in support of their Tier 4 application. If you are not receiving money form an official financial sponsor, tick NO.
Money (maintenance funds)

Students who do not have an official financial sponsor or only receive partial sponsorship for their studies will need to show that either they, or their parents, have saved sufficient funds to meet the maintenance requirement – £9,135 plus outstanding course fees if their course is 9 months or longer, or if their course is less than 9 months, a total which equals £1015 for each month of their course plus outstanding course fees. The money must be saved for at least 28 days prior to submitting your visa application. Further information is available from the International Student Support Service: [http://www4.ntu.ac.uk/student_services/international_students/applying_for_a_tier_4uk/index.html](http://www4.ntu.ac.uk/student_services/international_students/applying_for_a_tier_4uk/index.html)

If you are relying on money held in your parent or legal guardian’s account, you will be asked whether you have permission to use this money and you will be required to provide a letter from them confirming this. You will also be asked which document you will used to prove they are your parents or legal guardians: a birth certificate, adoption certificate or court document (note: a legal guardian is someone who has formally been appointed by a court, usually when a child has no other parent).

Completing the Documents stage of your application

After your application has been checked by the adviser and the adviser has confirmed you are ready to pay, access your Tier 4 application via your latest email link and click on “Continue” to be taken to the Document Checklist and select the documents you are providing in support of your application.

**Documents showing the required maintenance funds:** This is the area where most students have difficulties. You should ensure that you fully understand the maintenance requirements and you should also check that your financial evidence fully meets all of the requirements set out by UKVI.

The amount you will be expected to show to meet the maintenance requirement is:

**Outstanding tuition fees** (your CAS will confirm this amount) + a sum which equals **£1,015 for every month of the course, up to a maximum of £9,135** (9 months).

Example: Student is applying for a visa to complete the final year of their course (10 months). The course fees are £12,300 for the final year and the student has paid £4,000. The amount the student has to save to meet the maintenance requirement will be:

Outstanding course fees: £8,300 (£12,300 - £4,000)
Living costs: £9,135
**TOTAL: £17,435**

The money must be saved for at least 28 days before you make your visa application. Students with dependants (spouse/children) will have to show more money for their family members. If you are unsure about the amount you will have to save, you are advised to contact the International Student Support Service for further guidance.
Financial institution: give the name of the bank where your money is being held. If you are using financial evidence from more than one bank you can give those details. If you are being sponsored by an official financial sponsor, provide the name of the sponsor that is sponsoring you.

N.B. IF YOU WISH TO USE OUR APPLICATION CHECKING SERVICE (PAGE 16), PLEASE STOP HERE AND DO NOT PROCEED TO THE NEXT STAGE OF YOUR APPLICATION! IF YOU WANT AN ADVISER TO CHECK YOUR APPLICATION, PRINT OFF YOUR DRAFT APPLICATION TO SUBMIT IT TO OUR SERVICE. THE NEXT SECTION SHOWS YOU HOW TO DO THIS.

Printing a draft or saving a PDF of your application

At any stage, you can review your answers. To print off your application, click on your username at the top of the screen and “download PDF”.

All students are advised to save a draft of their application form – this is your record of the information you have provided to UKVI.
3. Documents you will need to submit to our service for checking:

For further guidance on these documents please refer to:

Different documentary requirements apply for certain nationalities. For more information about these arrangements and who is affected, check the gov.uk website:

Students who benefit from the Differentiation Arrangement must still prepare the documents marked by an asterisk (*) on the documents list above.
